New Members Always Welcome!

[The Association of Atlantic Area Artists \(AAAA\)](#), a not-for-profit organization, has been devoted to providing art instruction in Halifax since 1956.

For a small annual membership fee, we are able to offer a variety of opportunities for members to enhance their painting knowledge and skills, including two weekly morning classes, for three terms of 10 classes each; four workshops per year; and two shows, in the spring and fall, where paintings may be exhibited and sold!

All members in good standing are encouraged to participate in organizing and attending all activities, including the springtime Annual General Meeting.

For detailed information on prices and dates for classes, workshops, or how to participate in shows visit our [website](#), or contact us through our Facebook page.

To join AAAA, contact Eleanor Surette-MacDonald at eleanorsm@eastlink.ca. We look forward to hearing from you!
